Faculty News

- Hailey Bulls was a winner of the CTSI Pain Research Challenge.

- Yael Schenker was featured on the Medicine Mentors podcast talking about how to think strategically about mentorship.

- Jessica Merlin is leading an R34-funded study to develop and pilot test implementation strategies for consensus-based algorithms to address opioid misuse behaviors.

- Jane Schell and Natalie Ernecoff received funding from the PCRC to evaluate the UPMC Concurrent Hospice-Dialysis Program.

- Robert Arnold developed a talking map for Communication in the Age of COVID-19.
On October 9th, 44 faculty, staff, and trainees came together virtually for the 2nd Annual PaRC Retreat. They spent the retreat discussing key challenges in palliative care research and identifying initiatives to address workforce diversity, models of palliative care, community engagement, and future areas of research.

Welcome New Faculty!

PaRC is pleased to welcome new faculty members to the team (from clockwise):

- Jennifer Pruskowski, PharmD, BCPS, BCGP, CPE
- Jennifer Burgher Seaman, PhD, RN
- Margaret Rosenzweig, PhD, CRNP-C, AOCNP, FAAN
- Teresa Hagan Thomas, PhD, RN
Opportunities for 2021

The Palliative Research Center is a growing team of faculty, postdoctoral fellows, staff, medical students, and undergraduates. We are looking for new team members who are highly motivated towards excellence and have a passion for palliative care. Learn more about how you can become a part of our team!
